Solar Eclipse

On April 8, 2024, a total solar eclipse will cross North America, passing over the United States. St. Ann Catholic School is planning a viewing opportunity to allow your child (with your permission) to go outside and view it with eclipse glasses donated by The Erika Center.

If you want your child to participate in the outdoor viewing activities, please review, sign and date, and return the permission form sent home last week **by Wednesday, March 27th.**

A copy of the permission slip is also linked below.

Without a signed form, your child cannot participate.
