ALUMNI PROFILE

Colt Alumni Spotlight

Andrew Holmes

Class of 1994

St. Ann alumni family:

My brother, Mark ('97)

My wife, Natalie Morgan ('96)

Favorite/influential teacher:

I had tremendous teachers at St. Ann and all the Junior High teachers had a profound effect on me. Mrs. Croxdale, Mrs. Norton, Mrs. Rome, and Mrs. Kleiser all challenged me to grow in different ways and helped to shape who I am today. These four strong, incredible women wore many hats – educator, role model, disciplinarian, mentor – and they truly inspired me to love learning and to value the role of education in my life.

Favorite St. Ann memory:

I still vividly remember the Kindergarten field trip to Chucalissa; fierce rivalries with those schools on Park Avenue and White Station; winning the school Spelling Bee; losing the race for Student Council president; the school carnival; science fair projects; being an altar server; Mrs. Paulson's plays; Puttin' on the Hits; dying from cholera while traveling

The Oregon Trail in Mrs. Slattery's computer class; pink slips; class trips to Shiloh National Military Park and the U.S. Space & Rocket Center in Huntsville; and quite a few more that I wish not to divulge! Looking back, I wish I would have realized in the moment how fortunate I was to be at St. Ann. The friendships and the memories I made will always hold a special place in my heart and St. Ann will forever be home.

Family:

I married Natalie Morgan in April 2012 and we have two wonderful daughters, Delia (6) and Mabel (4).

General update and fun facts about you:

Although running the kids from place to place consumes most of my time, Natalie and I enjoy date nights to our favorite local restaurants, traveling, cheering on the Grizzlies, and experiencing Memphis all over again through our daughters.

High school attended:

CBHS, 1998

Post high school education:

University of Tennessee, B.S. in Accounting (2002)

Mississippi College School of Law, J.D. (2009)

Washington University in St. Louis School of Law, LL.M. in Taxation (2010)

Occupation:

I'm a recovering attorney who works as a consultant to help business owners sell their companies to their employees through a special type of retirement plan known as an ESOP.
