

Dear Parent/ Guardian,

St. Ann School is writing to request your son/daughter attend our LIFE program for extra help while at school.

The LIFE program at St. Ann School is a limited resource program offered for grades K-8 in the areas of Math and Reading, in conjunction with the regular classroom program.

The purpose of the LIFE program in the lower grades is to meet the individual educational needs of each student. The primary goal is for each student to reach a level of mastery and to re-enter the classroom.

The purpose of the LIFE program in the upper grades is to meet the individual needs of each student while at the same time helping the student to achieve the requirement for grade level. The primary goal in the upper grades is to successfully prepare each student to enter the next grade with a measurable degree of competency. In both programs the curriculum uses the regular classroom texts and strives to meet a standard level of achievement in a small classroom setting.

By signing below you understand that your student will receive this service at St. Ann until notified otherwise. Details of time and frequency depend on the student's needs and the school's schedule. If you have any questions please contact your student's teacher.

God Bless,

I (parent name)_____ give permission for my child to receive extra help services through LIFE at St. Ann School until my student reaches the level of mastery needed to reenter the classroom.
