

ST. ANN E-CARE BEFORE AND AFTER SCHOOL CARE

E-Care is the before and after school program that has been taking care of St. Ann students for more than 35 years. If you need to drop off your child before 7:30 am or you cannot pick up your child at dismissal time, we are here for you! E-Care provides a loving, safe place for your child before and after school, a place to enhance their social skills and their grades, and a place to have plenty of fun and get lots of exercise!

In the morning, we provide a relaxed setting before children ease into the school day. Children can play video games, color pictures, visit with friends, watch a movie, do some last-minute studying, and even eat breakfast they bring from home.

In the afternoon, we add a little structure while still maintaining a relaxed atmosphere. Upon arrival after school, children are provided a snack to tide them over until dinner. Children in grades 1-8 have homework time, with as much time as is needed to complete assignments and study. All children have gym time, toys, board games, manipulatives, video games, and outside play (weather permitting). There is lots of time for fun!

We offer two enrollment options. All payments are made through your school FACTS account.

- **Full Time** is for children who will need to attend every afternoon and includes morning care if needed.
- **Drop in** is for children who do not need to attend every afternoon or morning.

To register, download the registration application packet from the school website, print them off, **COMPLETELY** fill out all forms and turn them in to E-Care or the school office.

Registration packets are also available for pick up from E-Care

We would love to care for your child before or after school.
