

New Cell Phone/Electronic Devices Policy

Mr. Aur emailed our families on July 15th about the updated cell phone and electronic devices policy. If you did not receive the email, please check SPAM. If it is not there, please contact the school office.

The full policy will be published in the Student Parent Handbook on the website.

CELL PHONES/ELECTRONIC DEVICES

Cell phones are not allowed on school grounds while a child is in the custody of school faculty or staff unless given specific permission by a medical professional in a 501 plan or in a custody agreement on file with the school. In order to get on an approved list please contact school administration. Those students on the approved list need their cell phone dropped to the front office by a parent/ guardian each morning unless it stays on the child for medical reasons addressed in the 501 plan. Students not on an approved list, who have their cell phones out during school time will have them confiscated according to the confiscated items guidelines.

If you need clarification or have paperwork to submit to the school office, please contact Mr. Aur at didier.aur@sascolts.org or Ms. Ghio at annmarie.ghio@sascolts.org
