The school is not responsible for lost or missing personal items whether stored in the locker or elsewhere.

STUDENT AND PARENT HANDBOOK

PARENT/TEACHER CONSULTATIONS

Teachers and parents or guardians are encouraged to communicate throughout the school year by phone, written notes or letters, e-mails, text messages, on-site meetings or newsletters. Social media should not be used for such exchanges between teachers or other school officials and parents. Parents who desire to meet with teachers or other school personnel should schedule the meeting in advance. Formal parent-teacher conferences will be scheduled after the first nine weeks of school. Attendance at the fall parent-teacher conference is mandatory. Important information may be also viewed on the school web site, www.sascolts.org

PARENT INVOLVEMENT

The first and primary educators of children are their parents. Parents/guardians are expected to support the administration and teachers of the school. The school values input of parents/guardians and uses survey information in forming long-term goals. In keeping with the process of subsidiarity, problems should be solved at the most direct level possible beginning with the classroom teacher. If the issue is not resolved, parents/guardians should try to solve the issue with the principal. If the issue remains unsolved the parent/guardian may contact the pastor (in a parish school) or the superintendent. Social Media (Facebook, Instagram, Twitter, etc.) is not the platform to air grievances to affect changes and may be detrimental to the school which would not be considered as support of the teachers and administrators of the school.

The LIFE program at St. Ann School is a limited resource program offered for grades K-8 in the areas of Math and Reading, in conjunction with the regular classroom program. The purpose of the LIFE program in the lower grades is to meet the individual educational needs of each student. The primary goal is for each student to reach a level of mastery and to re-enter the classroom. The purpose of the LIFE program in the upper grades is to meet the individual needs of each student while at the same time helping the student to achieve the requirement for grade level.

STUDENT AND PARENT HANDBOOK

In a school community, there will be times when students do not get along. This policy is designed to guide our community in responding to bullying and other negative social behaviors so that students move past negative behaviors and develop skills needed to get along together as part of the school community.

This policy applies to the school community which includes students, parents, faculty and adults on our campuses, whether attending school, employed by the school, working as a contractor,

STUDENT AND PARENT HANDBOOK

volunteering or visiting. Any form of bullying directed toward any member of our school community by another member of the community is contrary to this policy and will result in disciplinary action.
